CHILDREN & DOGS

Please remember that the CCZ was created solely for dog owners to allow their dogs to run freely off leash.

You will want to teach your children how to behave around dogs before you bring them into the CCZ.

Not all dogs are child friendly or accustomed to being around children. Children are easily run over or knocked down by running dogs.

Dogs may nip at children in an attempt to herd them.

Children who run and scream may become a target for the dogs.

Never allow your children to approach or pet a dog without the owner's presence and consent.

Please do not allow children to play on the agility equipment.

Gilmer Canine Companion Zone has two five acre sections. These will be used alternately to allow the turf to rest. The alternate CCZ may be rented for private rentals or special events. Call 327-7110 Option 5 to make reservations.

Private Rental: \$50/hour—2 hour min.

Special Events \$250/day plus \$1 per dog
